IMPORTANT INFORMATION

Important documents

This is your policy document and it consists of:

1. this printed policy which sets out details of what is and what is not covered by this policy;
2. the Insurance Certificate we provide with details of:
 - who is insured;
 - the cover(s) selected;
 - the period of insurance;
 - the respective sums insured and/or limits of liability; and
 - excesses and other important information.

You should ensure that you read these documents carefully and keep them in a safe place. If you have any questions regarding the policy or Insurance Certificate, please contact your insurance broker.

Under insurance

Apart from stock, you should insure for the full new replacement value of all property insured if you elect to insure under the 'Building and Contents', 'Business Interruption' or 'Electronic Equipment' sections of this policy. The only exception to this is if you have chosen to insure on an indemnity basis, and we have agreed in writing that we will provide indemnity cover in which case, the sum insured should represent the indemnity value of your property. If you fail to fully insure your property, any losses may not be paid in full. For a detailed example of how we will pay a claim where you have under insured, refer to the 'Building and Contents' section. It is your responsibility to ensure that the nominated sums insured are adequate, and you should continue to reassess these sums insured during the currency of the policy and prior to renewal each year.

Words with special meaning

Some words used in this policy have special meaning. Where the meaning of the word applies to a single section, that meaning will appear at the start of that section. A list of words which have the same meaning throughout the document appears at the end of the policy.

Who is insured under this policy

The persons or organisations that are covered by this policy are shown on the Insurance Certificate. In this policy, those persons or organisations are referred to as 'you' or 'your'. We will extend the policy to cover other persons or organisations requiring cover under this policy if you have advised us of them, and we have named them on the Insurance Certificate. All persons or organisations covered by the policy have to comply with the terms of the policy. We may refuse to pay a claim or reduce the amount we pay if you or any person covered by the policy does not comply with the terms of this policy.

Your cooling off rights

You can cancel your policy within 14 days of the commencement or renewal of cover. The commencement or renewal date of your cover is stated on your Insurance Certificate. If we receive your written request to cancel this policy within the 14 day period, we will cancel the policy effective from the commencement date, and give you a full refund (less any taxes, duties or commissions payable that we are unable to refund). You cannot use this right where, before the 14 day period ends, you have exercised any of your rights or powers under the policy (e.g. you have made a claim). After the cooling off period ends, you still have cancellation rights under the policy. These rights are documented under 'General conditions that apply to every section of the policy'.

Your premium

Your premium is calculated when your policy begins and at each policy renewal. Your Insurance Certificate provides details of your premium and when we calculate that premium we consider the type of cover requested by you and the various risks involved in providing that cover. Your premium also includes allowances for government taxes and stamp duty relating to your policy which will be shown on your Insurance Certificate.

Evidence of value

Please retain receipts of purchase or proof of the value of all property insured by this policy so that you can substantiate the amount of any loss if you have to claim under this policy.

You must abide by all conditions of this policy and we draw your special attention to those detailed below, and the conditions applicable to the making of a claim. If you do not comply with the policy conditions we may reduce or refuse to pay a claim and cancel your policy to the extent permitted by law.

Your duty of disclosure

Before you enter into an insurance contract, you have a duty of disclosure under the Insurance Contracts Act 1984.

If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Precautions

You must take all reasonable precautions for the care, safety, protection and maintenance of your property and comply with all statutory obligations, by-laws and regulations imposed by any public authority. If you do not comply with this condition, and loss or liability is caused, we may reduce the amount we pay you.

Preventing our right of recovery

We will not cover you for loss, damage or liability if you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this policy.

Paying your premium

Cover under this policy is subject to the payment of the premium. The premium is payable when you take out a new policy and when you renew your policy. If you make changes to your policy you may need to pay an additional premium or you may be entitled to a refund. If your premium payment is dishonoured by your financial institution, this policy will not operate and you will not be covered in the event of a claim.

OUR AGREEMENT

We agree to provide you with the cover set out in each of the policy sections which you have selected and that are listed on your Insurance Certificate. This cover is in force for the period of insurance set out on your Insurance Certificate. We will cover you for loss, damage and/or liability occurring during the period of insurance, subject to the terms and conditions of the policy.

We will not pay any more than the sum insured or limit of liability for each section shown on your Insurance Certificate unless otherwise stated. If any loss or damage sustained in an incident leads to a claim under more than one section of this policy, you will only have to pay one excess. We will pay up to \$50,000 or 20% of the sum insured for your building, whichever is the lesser.

5. Optional benefits

The following benefits can be added to your policy. If taken, the benefits will be noted on your Insurance Certificate:

Optional benefit	Our exclusions	Benefit limit
	<i>You are not covered for: (See also General Exclusions on page 48)</i>	
Flood Where we have agreed to offer you cover for flood and you have taken out this Optional benefit, we will insure you for loss or damage caused as a result of a flood.		We will pay up to the lesser of the amount shown for flood on your Insurance Certificate or the Building and Contents sum insured. If there is an amount shown for flood cover it is noted that this will be the maximum amount payable inclusive of any additional benefits under this and the 'Business Interruption' sections for loss caused by flood.
Strata title mortgagee(s) interest When you take out this Optional benefit we are insuring you only for the interests of the mortgagee of your shared title unit. The cover only applies when you own part of a building that has been subdivided into strata, community or similar title and you have a mortgage on that part of the building. If the building sustains damage that is covered by the policy we will pay the mortgagee the lesser of the: <ol style="list-style-type: none">sum insured shown on the Insurance Certificate;cost of repairs;difference between the amount paid by the insurer of the body corporate and the cost of the damage if the body corporate (or similar) partially covers the loss under an insurance policy arranged by them;amount sufficient to discharge the mortgage held by you over the unit at the date of the damage.		We pay only that part of the claim that applies to the interest of the mortgagee.

6. How we will pay your claim

Unless otherwise shown on your Insurance Certificate, claims will be settled on the basis of reinstatement and replacement, and extra costs as follows:

Reinstatement and replacement

Reinstatement and replacement will mean:

1. for building, the reconstruction, repair or restoration of the damaged building, or at our option, the replacement of the building by a similar building, to a condition equal to but not better or more extensive than its condition when new;
2. for other property (excluding stock) the repair of the damage and the restoration of the damaged portion of the property, or at our option, the replacement of the property by similar property, to a condition substantially the same as, but not better or more extensive than its condition when new;
3. for stock the replacement cost at the time and place of the replacement, provided that the replacement is carried out with reasonable despatch. If the stock is not replaced, the original cost to you of the stock or its market value, whichever is the lesser. If the stock is obsolete, the basis of settlement will be the lesser of the original cost of the stock to you or its market value irrespective of whether the stock is replaced or not.

Claims for the cost of reinstating or replacing property destroyed or damaged are subject to the work of rebuilding, or replacement, or repairing (as the case may be) being commenced and carried out with reasonable despatch no later than twelve months after the date of loss, failing which settlement may be effected on an indemnity basis. This work may be carried out at another site and in any manner suitable to your requirements provided that our liability is not increased.

Extra cost

We will also pay the extra cost for the reinstatement of the damaged insured property (other than stock) necessarily incurred by you, to comply with the requirements of any statute or regulation or of any municipal or statutory authority, provided that:

1. we will not pay for any additional cost incurred in complying with any requirement which you were required to comply with prior to the damage being sustained;
2. the co-insurance condition of this section of the policy will not be applied to the amount payable under this clause;

3. if the cost of reinstatement of the damaged property is less than 50% of the cost of reinstatement that would have been incurred if the property had been totally destroyed, the indemnity under this clause will be limited to the extra cost necessarily incurred in reinstating only the portion damaged or sub limit shown on your Insurance Certificate, whichever is the greater. If a sub limit is not shown on your Insurance Certificate, our liability will be limited to the extra cost necessarily incurred in reinstating the damaged portion only.

Floor space ratio index (plot ratio)

If buildings are damaged and reinstatement of the damage is limited or restricted:

1. by any act of parliament or regulation there under;
2. by any by-law or regulation of any municipal or other statutory authority;

which leads to a reduction of the floor space ratio index (plot ratio) of the location, then we will pay in addition to any amount payable on reinstatement of the buildings, the difference between:

1. the actual costs incurred in reinstatement of the damage subject to the reduced floor space ratio index (plot ratio);
2. the estimated cost of reinstatement at the time of damage had the reduced floor space ratio index (plot ratio) not applied.

Our liability under this Additional benefit, combined with the benefits payable under 'Reinstatement and replacement' and 'Extra cost' will not exceed the sum insured shown on your Insurance Certificate, in respect of the buildings which are the subject of the claim.

Branded goods

In the event of a claim, any salvage of branded goods or merchandise owned by you or held in trust or on commission and any goods sold but not delivered will not be disposed of by sale without your consent. If this salvage is not disposed of by sale, the basis of settlement of any claim will be the indemnity value of the goods after brands, labels, or names have been removed by you or on your behalf.

Undamaged foundations

If foundations are not destroyed following an occurrence, and any Government or Statutory Authority requires reinstatement of the business property to be carried out on another site, the abandoned foundations will be considered as destroyed. If the resale value of the original building site is increased due to the presence of the abandoned foundations, the increase in resale value will be paid to us at the time of sale.

Output replacement

If it is necessary to replace equipment, machinery or plant that has a measurable function, capability or output with a new item or items that perform a similar function or functions, the basis of settlement for this property will be for any item or items which have:

1. the same or a lesser total function, capability or output, then the basis of settlement is the new installed cost of the replacement item or items as would give the same total function, capability or output as the business property;
2. a greater total function, capability or output, and the new installed cost of the replacement property is no greater than the replacement value of that business property, then the basis of settlement is the new installed cost of the item or items so replaced;
3. a greater total function, capability or output, and the new installed cost of the replacement property is greater than the replacement value of that business property, then the basis of settlement is the lesser of the reinstatement value or that proportion of the new installed cost of the replacement item or items, which the output of the damaged business property bears to the output of the replacement item or items. If the reinstatement value of the damaged business property is not ascertainable, then the basis of settlement is the new installed cost of the replacement item or items.

Indemnity

If the basis of settlement is shown on your Insurance Certificate as indemnity, we will pay the cost to repair or replace the insured property less an equitable amount for age, wear and tear, depreciation, and we will make an adjustment for the general condition and remaining useful life of the insured property.

7. Special conditions applicable to this section

(In addition to the 'General conditions that apply to every section of the policy').

Designation of property

For the purposes of determining under which item any property is insured, we agree to accept the designation under which that property appears in your books of account.

Co-insurance

In the event of loss or damage under the 'Building and Contents' section of this policy, we will pay the proportion of the loss or damage that the sum insured nominated by you bears to 80% of:

- the reinstatement or replacement cost of the building or contents, at the commencement of the period of insurance, where the method of settlement is shown on your Insurance Certificate as reinstatement and replacement;
- the indemnity value of the building or contents, at the commencement of the period of insurance, where the method of settlement is shown on your Insurance Certificate as indemnity.

Our liability will not exceed the sum insured shown against each item in the Insurance Certificate. This condition will not apply if the amount of the loss or damage is less than 10% of the sum insured, or if the claim amount is restricted by the application of any sub-limit of liability.

Any additional costs incurred to comply with the requirements of any statutory authority, by laws or regulations will be omitted from the calculation of our proportion.

The following calculation provides an example of the application of co-insurance:

The value of your property		\$1,000,000
80% of the value	=	\$800,000
Your Sum Insured	=	\$600,000
Value of loss	=	\$200,000

The amount we would pay is calculated as follows:

$$\frac{\$600,000 \times \$200,000}{\$800,000} = \$150,000$$

We would pay \$150,000 less any applicable excess, which means that you would incur a loss on the portion that you did not insure.

3. any abnormal condition of trade which had or could have had a material effect on the business, so that the adjusted figures represent as nearly as reasonably practicable those which would have been attained at the date of the loss or damage had the loss or damage not occurred.

annual revenue means the gross revenue during the 12 months immediately before the date of loss or damage, to which adjustment will be made to reflect the trend in the business and any other circumstances, in order to arrive at the same result that would have been obtained had the loss or damage not occurred.

gross profit means the amount by which the sum of the turnover and the amount of the closing stock and work in progress exceeds the sum of the opening stock and work in progress and the amount of the uninsured working expenses.

This amount will be adjusted as necessary to provide for the trend of the business and variations in, or other circumstances affecting the business, either before or after the date of occurrence of the loss or damage, or which would have affected the business had the loss or damage not occurred. The adjusted figures will represent as nearly as may be reasonably practicable, the results which but for the damage would have been obtained during the relative period after the damage.

standard revenue means the gross revenue during that period corresponding with the indemnity period in the 12 months immediately before the date of the loss or damage, (appropriately adjusted where the indemnity period exceeds twelve months), adjusted to reflect the trend in the business and any other circumstances, in order to arrive at the same result that would have been obtained had the loss or damage not occurred.

GENERAL CONDITIONS THAT APPLY TO EVERY SECTION OF THE POLICY

Your obligations

You are required to:

1. take all reasonable precautions to avoid or minimise loss, damage or liability;
2. maintain all business premises, fittings, appliances and equipment in sound condition;
3. maintain and look after the property or buildings belonging to other people and organisations that are used by you in accordance with your agreement with them;
4. obtain certificates of inspection for all equipment required by any statute or regulation to be so certified;
5. use and store all hazardous, flammable, gaseous or toxic materials as required by law; and
6. obtain the location of underground services from the owners of those services if your operations include digging below ground at sites away from your business location.

If you do not comply with your obligations we may refuse to pay part of, or all of, your claim.

Accountancy records and rights of inspection

You must provide to us all books of account, business books and other documents as may be required by us to investigate or verify any claim. We will be permitted but not obligated to inspect your property and operations at any time.

Neither our right to inspect nor our failure to inspect, nor the making of any inspection, nor any report of an inspection may be used by you or others in any action or proceeding involving us.

We may also examine and audit your books and records at any time during the period of insurance and within three years thereafter. Our examination and audit will be restricted to matters which in our opinion are relevant to the policy. We may refuse to pay, or reduce the amount of, a claim if you do not provide us details or allow access as we may reasonably request.

Adjustment of premium

If the first or renewal premium for the policy has wholly or partly been calculated on estimates furnished by you, then you must:

1. within 30 days after the expiry of each period of insurance provide to us such matters, particulars and information relevant to the policy as we may reasonably require. The premium for the period will then be adjusted and any difference will be paid by or allowed to you as the case may be, provided that the adjusted premium will not be less than any minimum premium shown on your Insurance Certificate;
2. keep a record of all matters, particulars and information requested by us and you must on reasonable notice, allow us or our nominee to inspect and make copies of those records.

Alarm systems

If you have advised us that surveillance or protective equipment, burglar or fire alarm systems are used or installed at your location you must:

1. ensure that these are regularly tested and maintained in accordance with the manufacturer's recommendations;
2. take all reasonable precautions to ensure that these are operational outside normal business hours.

We may refuse to pay or may reduce the amount of a claim if you do not comply with this condition.

Alteration

Unless our written consent is obtained, we will not cover loss, damage or liability caused or contributed to by any alteration, after the commencement of this policy:

1. in the trade or manufacture carried on, or whereby the nature of the occupation or other circumstances affecting the building insured or containing the property insured is changed in such a way as to increase the risk of damage or the likelihood of liability losses;
2. whereby your interest ceases by will or operation of law;
3. whereby the business is wound up or carried on by an insolvency practitioner or permanently discontinued.

Automatic reinstatement of sum insured

If we pay a claim under any section of this policy other than the 'Business liability' section and your sum insured has been reduced due to payment of that claim by us, we will automatically reinstate your full sum insured provided:

1. you have not (in writing) requested otherwise;
2. we have not (in writing) advised otherwise;
3. you agree to pay any additional premium we may require to reinstate the sum insured.

Business ceases to trade or is in liquidation

If your business is deregistered, placed into liquidation or administration, a receiver is appointed, or the business is wound up or is permanently discontinued, then unless otherwise agreed by us in writing, all cover under this policy ceases from the time your interest is transferred or your business ceases to trade.

Claim preparation expenses

We will pay for costs necessarily and reasonably incurred by you for the preparation of a claim for which we agree to indemnify you under this policy. The most we will pay is \$25,000 in total unless a higher specific amount is provided in a section of this policy you have selected which will be shown on your Insurance Certificate. You must obtain our written approval before you incur these claims preparation costs. This benefit is in addition to any other limit of indemnity.

Cancellation by you

You may cancel the policy at any time by notification in writing. We will refund the unused proportion of your paid premium less any commissions, taxes and charges that we are unable to recover.

Where the insured involves more than one party, we will only cancel the policy when a written agreement to cancel the policy has been received from all persons named as the insured.

Cancellation by us

We may cancel the policy in certain circumstances provided by the Insurance Contracts Act 1984 or any subsequent legislation by giving you three business days notice in writing. Some examples are:

1. if you do not pay the premium;
2. if you do not comply with your duty of disclosure;
3. if you make a misrepresentation to us before the issue of this policy;
4. if you do not comply with a condition or provision of this policy;
5. if you make a fraudulent claim under the policy or some other policy (whether with us or some other insurer);
6. if you do not comply with your duty of utmost good faith.

Notice of cancellation can be delivered personally or posted to your address shown on the current Insurance Certificate. It will be effective at the time shown on the notice of cancellation or when you have taken out cover with another insurer, whichever occurs first.

Changes that may affect your policy

If there is any change or alteration to the information you have advised us of, you are to notify us in writing as soon as practicable. Any change or alteration you propose to make only becomes effective when we agree to the change or alteration and you agree to pay any additional premium. You must advise us of any changes before you renew your policy. For example, we require information about:

1. change of business activity;
2. criminal convictions of you or persons who normally work with you;
3. any deterioration in the condition of property;
4. alteration to the building which affects its safety or structural integrity.

This is a requirement of 'Your Duty of Disclosure'. If you do not fulfil your duty of disclosure we may refuse to pay part or all of a claim.

Discharge of liabilities

At any time we can pay to you or on your behalf, for all claims made against you for any one occurrence:

1. the limit of liability of the section under which the claim is made, after deducting any amounts already paid;
2. any lower sum for which the claim may be settled.

If we do so:

1. the conduct of any outstanding claim(s) will become your responsibility;
2. we will not be liable to pay any further amounts other than costs, charges, or expenses that we agreed to pay before we made the payment referred to above.

Fraudulent claims

If you make a claim under this policy which you know is fraudulent in part or in its entirety, we will both deny that claim and may have rights to void the policy in its entirety.

Goods and Services Tax (GST)

If you are not entitled to an input tax credit on any part of the premium you paid for this policy, the sums insured, sub limits or limits of liability stated in this policy are inclusive of GST.

If you are entitled to an input tax credit on any part of the premium you paid for this policy, the sums insured, sub limits or limits of liability stated in the policy are exclusive of GST to the extent of your input tax credit entitlement.

In situations where we make a cash payment to you for the purchase of goods or services for which you are entitled to claim an input tax credit, we will only pay you an amount that is equal to your net cost i.e. your cost after claiming input tax credits.

The policy does not cover any amount of GST, or any fine, penalty or charge that you are liable for because of a failure to disclose or a misstatement made by you, in relation to your entitlement to an input tax credit for the premium. You must tell us if you become aware that the extent of your entitlement to an input tax credit for your premium disclosed to us is incorrect.

Jurisdiction

All disputes arising out of or under this policy will be subject to determination by any court of competent jurisdiction within Australia according to the law applicable to the jurisdiction.

Limits and excess

We will not pay more than the sum insured in respect of any claim other than those benefits that are identified as payable in addition to the sum insured. You must pay the amount of any excess shown on your Insurance Certificate for each claim you make. If more than one excess can be applied to one occurrence, then you will only need to pay the highest excess.

Other insurances

At the time you make a claim, you must give us written notice of any other insurance covering the property or legal liability which may also apply to your claim. When a loss paid under this policy is also recoverable under another policy and we have paid more than our rateable share, we reserve the right to seek contribution from the other insurer or insurers.

Pairs, sets or collections

If any article is part of any pair, set or collection and is lost or damaged, we will not pay for more than the actual value of the lost or damaged article.

Premium funding

Any refund due for the pro rata portion of the premium applicable to the unexpired period of insurance will be paid to any premium funding company who holds a legal right over your policy by virtue of a notice of assignment and/or an irrevocable power of attorney.

Progress payments

We will not unreasonably withhold progress payments. We will pay progress payments on claims at intervals to be agreed by us following receipt of an interim report by our loss adjuster or representative.

Single occurrence

We will not pay for loss or damage to property covered by the policy under more than one section of the policy in respect of the same item and occurrence unless the sum insured has been paid out in full under one section and you have not been fully covered for the loss or damage.

Subrogation rights

We have the right to take over and conduct in your name the defence or settlement of any claim or to prosecute in your name any claim for damages, indemnity, contribution or otherwise. We have full discretion in the conduct of any proceedings and in the settlement of any claim. You must give us all such information and assistance as we may reasonably require in defending you or prosecuting in your name.

CLAIMS

What you must do after loss, damage or an accident

1. take all reasonable steps to prevent further loss, damage or liability;
2. notify the Police immediately if any of your property is lost, stolen, maliciously or intentionally damaged;
3. advise us of the claim immediately and submit a claim form as soon as possible.
